

Oluwasegun Adedeji

Lagos, Nigeria • oluwasheges@gmail.com • (+234) 813-263-8235

Highly motivated Front-End Engineer with 3+ years of experience building dynamic and responsive user interfaces. Proficient in HTML, WordPress, CSS, JavaScript, NuxtJS and VueJS (including Pinia for state management, Vue Router for navigation, and Axios for API calls). Passionate about creating engaging and user-friendly websites and applications. Strong problem-solving skills and ability to work effectively in a team environment. I seek a challenging role in a dynamic organization where I can contribute significantly to projects' success while improving my expertise.

Work Experience

Golden Edge Softech, Lagos, Nigeria

A software agency
